

Christian Education Team's Ministry Highlights: *What do we do?*

Vision:

The Christian Education Ministry team envisions a learning church; a congregation that continually explores the gospel, nurtures the faith of its members, shares insights into faithful living, and mentors its children and youth in the faith and practice of Christ's Church. It envisions a *discipling* church that is not satisfied to merely give instruction in faithful living, but seeks to provide opportunities to live faithfully and reflect critically in community on these faith experiences. The ministry team further envisions a church that welcomes all of God's children to this shared journey of faith,
