

This Week at CPC

Post-Easter Excitement @ CPC!

Starting This Week - We are doing a New Thing!

Worship Education within the Worship Experience

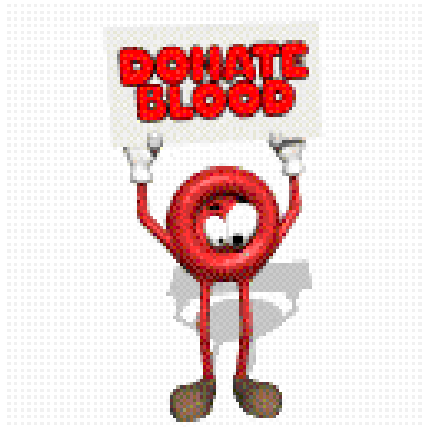

This new journey will be focused on our children, particularly those in 3rd - 5th grade, but it will benefit worshipers of all ages. During the months of May, June and July our normal *Time with Children* will float through each element of our worship service. Starting this week with the Call to Worship, Holly and Douglass will invite the children to gather in the front of the sanctuary and think about what each week's element of our worship service does, why we do it and what it accomplishes. This will be an opportunity for all of us, regardless of age or experience in the church to refresh our knowledge of and appreciation for the way each element of our

worship service contributes to the whole and nourishes our life of praise and devotion.

This promises to be an exciting season of learning and growth for our congregation. We hope you will be blessed by it and your joy in the presence of God on the Lord's day will be enriched.

Summer Sunday School: The sign-up sheets are ready! Please give our regular Sunday School teachers a break by signing up to teach our children and/or youth. Contact Holly to be added to the list, and she will send you the dates!

Children's Church: Due to a lack of volunteers, we will be adapting our volunteer list for Children's Church. If you are willing to teach our 3-8 year olds during part of the worship hour 3 or 4 Sundays each year, please contact Holly to be added to the list. She will send you the available dates!

Thank you!
