

## EVANGELISM AND OUTREACH MINISTRY TEAM

The Evangelism and Outreach Ministry team works to support our missionaries in other countries as well as reaching out here in our own backyard. We provide youth opportunities and community events which involve individuals of all ages. It is our goal to offer a variety of activities for youth, adults and our senior population. We want to become a church with activities for all ages and a place that people gravitate toward and want to be involved. The list of outreaches that could be provided is endless, however we need lots of manpower. Let's all come together to host lots of uplifting events where we fellowship, welcome everyone and share Christ. Please let us know if you are interested in helping the Evangelism and Outreach Ministry team continue to make a difference in our community and beyond. Give your name and contact information to the church office, Jim Wylie or Tammie Anderson. Thank you.

Some of the ideas that have been mentioned for the future are:

- Be more involved with the community
- Continue supporting mission trips
- Support community programs; i.e. God's Kitchen and more
- Support camps like Bethelwoods and Cherokee
- Get better at telling our story to the community

These are just a few and we are open for as many ideas about how we can reach out as you are able to come up with. Our ventures thus far this year seem to have been successes for everyone involved. Thanks and we look forward to hearing from everyone.
