

## WORSHIP AND MUSIC MINISTRY TEAM

The Worship and Music Ministry Team is responsible for all of the details that maintain our life of sacred worship. That starts with making sure people can hear, and expanding the number of people who are able to worship with us beyond these walls: We are the **sound and video** technicians. Andy Smith is always looking for people who can be trained to help with this. If you would like to help and learn, let Andy know.

**Music** is a big part of how we express praise and glorify God. Our music programs include all ages, from the Melodic Minors, to the Praise team and Chancel Choir led by John, Julia, and Jan. If you can sing or play an instrument, or help in any way with our music, weekly or seasonally with the cantata, please let John know. He would be so thankful.

**Worship Leaders:** If you would like to share your gifts for worship by leading the congregation in worship and reading scripture, we welcome your gifts as a worship leader.

**Acolytes:** If you are in grades 3 - 5 and would like to bring the light of Christ into the sanctuary at 11:00 and lead us out into the world following that light at the end of the service, join us as an acolyte.

**Christmas** – We are responsible for fixing candles for the Christmas candle lighting service.

**Easter** – We are responsible for decorating the cross with palms, ivy and flowers. If you could help by contributing these please let us know.

**Ushering** – Ted McCarley does a great job getting people to usher. Please let him know if you can help.

**Communion** – We prepare the elements for Communion and set the Lord's Table in preparation for the sacrament. We also clean and maintain the trays and plates and other implements that are necessary for our observance of this holy meal.
